SUBJECT: It is to be noted that several of these individuals are currently under investigation by the FBI.

Concerning the above, SA [redacted] has advised that during the period from June, 1973, to August, 1975, he had periodic official contact with several KCIA officials assigned to the South Korean Embassy, Washington, D. C. These contacts were in connection with our responsibilities under the PFO statute, and FCI responsibilities. At the personal request of KCIA officials, contact was usually made over luncheon, the expenses of which were met on an alternating basis and due to the official nature of the contact, these luncheons were reimbursable under the "blue slip" program. It is noted that following SA [redacted] transfer to FBIHQ, SA [redacted] took over the KCIA contacts. SA [redacted] indicated that the only possible explanation concerning [redacted] in question would have been in connection with the above mentioned luncheon.

REPUBLIC OF KOREA CENTRAL INTELLIGENCE  
AGENCY ACTIVITIES IN THE UNITED STATES

With regard to the Tae Kwon Do style of karate, there are three main organizations which sponsor events such as demonstrations and tournaments: American Tae Kwon Do Association (ATA); the World Tae Kwon Do Federation (WTF); and, the International Tae Kwon Do Federation (ITF). The ATA is more of a localized group in the midwest, the WTF is more national, and the ITF is more international. The leader of the ITF is General CHOI, Hong-hi, a retired Republic of Korea (ROK) Army officer who now resides in Toronto, Canada. According to source, CHOI is one of the earliest proponents of Tae Kwon Do and was instrumental in initiating this type of instruction in the ROK Army. Allegedly, CHOI controls the ITF and, because of differences he had with the ROK, has broken away from the normal channels of approval for the organization from the ROK Government. According to source, there is a great deal of dissention between CHOI and his ITF and the WTF. Because of the continuing popularity of the martial arts in the United States, there are numerous tournaments held each year. Source, [redacted]

[redacted] related that, due to differences among the various organizations, there are often fights and disturbances after these events. Source further advised that CHOI allegedly provides financial backing for Koreans to open and operate karate schools in the United States. By doing this, CHOI can control the schools and build up his influence in this area.

Because of his position, CHOI had the authority to grant ITF endorsement for products manufactured for safety in the karate field. [redacted]

FEDERAL GOVERNMENT

March 13, 1978

Honorable William H. Webster  
 Director  
 Federal Bureau of Investigation  
 Ninth Street and Pennsylvania Ave., N.W.  
 Washington, D.C. 20535

Dear Judge Webster:

Last week, a member of my staff was in contact with [redacted] of the Department of Justice to apprise him of certain matters I wish to explore with you when you appear before the Senate Appropriations Subcommittee on State, Justice, Commerce on April 20, 1978.

Specifically, I will first want to establish the approximate point in time when the FBI formally undertook an investigation of alleged plans or attempts by officials or individual citizens of the Republic of South Korea to influence Members of Congress or Administration officials. It is my understanding that that formal investigation commenced in April of 1975. Having established that point in time, I will then want to discuss:

(1) What point in time did the FBI first learn of any alleged plan or attempt by officials or individual citizens of the ROK to influence Members of Congress or Administration officials?

(2) From what source or sources did the FBI learn of this plan or attempt, and how frequently was the FBI provided with information?

(3) Upon first learning of a plan or attempt, what actions were taken by the FBI? Was any type of investigation initiated? What was the outcome of this investigation? If no investigation was initiated, what other actions, if any, did the FBI take?

(4) Prior to commencement of the formal investigation, were Members of Congress or Administration officials ever advised, formally or informally, by the FBI that they were targets of the alleged plan or attempt?

(5) Prior to commencement of the formal investigation, did the FBI ever furnish information bearing on the alleged plan or attempt to the Attorney General or any other Justice Department official, any other federal Department or agency, the White House, or a Committee of Congress?

While I recognize that you were not the Director of the FBI during that time in question and that considerable time and energies may have to be expended in preparing for this discussion, I think it imperative, in light of the emphasis that has been placed on obtaining information from officials of the ROK on this matter, that we first ascertain what was known by the Departments and agencies of our own Government and what actions they took with respect to it.

With kindest regards,

Sincerely,

 SUBJECT: ~~KOREAN "FRIENDSHIP FORCE"~~ TO VISIT U.S. *S. Korea*

ROUTE IN ENVELOPE DATE: 5/3/78

*Republic of Korea Intelligence Action in United States*  
 According to "Korea Newsreview" dated 4/22/78, the so-called ambassadors of the "Friendship Force" headed by Chairman of the Korean-American Friendship Association TAE Wan-son will visit Tacoma and Olympia, Washington, from May 31 to June 11 this year and the Korean hosts will receive American ambassadors who will visit Seoul during the same period. The visitors will stay at the homes of the "hosts" for four days during their trip.

The Friendship Force program, the Korea Newsreview says, was initiated in 1973 when U.S. President Jimmy Carter was the governor of Georgia and is a people-to-people program designed to promote and cement mutual understanding and friendship among countries and to contribute to peace throughout the world. Korea is the first Asian nation to exchange visits under the program.

TAE Wan-son is presently Chairman of the Korean Chamber of Commerce and Industry. Mr. TAE was formerly Deputy Prime Minister of the Korean Government.
